Mucukika to that effect. I would request therefore that sanction may be recorded for the payment of the amount, as per accompanying Compensation Statement

Government Proceedings No. 4153-4 dated 5th Augt requesting to report whether Kharab land is not available for a burial ground in Nosagattahalli or in any of the neighbouring villages.

With reference to the above, I have the honor to state that no Kharab land is reported to be available for the purpose either in the village or

question, or in a neighbouring Village. Lands of the Village or of the neighbouring Government Villages, if made a ground for burials and cremation would be too near His Highness the Maharajah's Palace and certain European residences.

2. Requests therefore that sanction of Government may be obtained for the grant of the land proposed to be taken up in the Kayeingtaka Village of Rangamattapur.

3. Vernacular papers are enclosed for reference and obliging return.
